Dear Sir/Madam,

Re: Appeals against approval of PA 09160/17

Proposal: To carry out additions and alterations consisting of changes to layout at ground and first floor levels changes to facade and proposed washroom at roof level

I write on behalf of some of the owners and residents of Misrah Brittanja, Mosta.

Following is a list of owners and residents making this representation:

- Lawrence Magro ID 53053M
- Carmen Magro ID 735851M
- Carmen Schembri ID 452326M
- Salvatore Schembri ID 953046
- Mark Saliba ID 12070M
- Len Charles Borg ID 3484M
- Carmela Borg ID 750443M
- Carmelo Borg ID 570343M
- Rosemary Borg ID 241601L

The appellants wish to make this appeal against the decision by the Planning Authority to allow the roofing over of an alley that gives access to their properties and residences.

Such a structure shall cause deleterious effects on their properties.

It is imperative to note that the applicant declared that he owns and has certain rights on this alley without providing legitimate proof.

With such a lack of information, the appellants claim that the declaration of ownership in the application is false and request the Tribunal to uphold this appeal and withdraw the permit.

Yours truly,
