PA11267/18

Airspace, Maple leaf court, Triq Pawlu Portelli, Rabat, Gozo

To construct 3 washrooms at roof level.

I refer to the abovementioned decision taken by the EPC board in relation to the abovementioned development application.

My client would like to file an appeal on this decision due to the following reasons:

1. The property is situated in close vicinity of areas zoned for much higher floors/height in meters;
2. The roof is already committed with legally existing roof structures

In view of the above I kindly urge the Tribunal to overturn this decision.
