Request for appeal

Dear Sir/Madam,

Reference is made to your enforcement ECF 393/16 (Document 1) which my client received on the 27th October 2016. Please note that from the site marked in black in document 1 my client has only the part marked in red as per separate site plan attached (Document 2). Any illegal dumping from site marked in red in document 2 has been removed and my client Mr Carmelo Bonnici has already informed enforcement officer Ms Ruth Ciarlo who in turn has confirmed and also took the necessary site photos (Refer to photo 1)

his position; Mr Carmelo Bonnici is not in any way responsible for the adjacent illegalities which are on a site not pertaining to him.

Enclosed with this appeal request kindly find a copy of the enforcement notice (document 1), site plan (document 2) as well as original payment form stamped by bank.

Regards
Perit Justin Spiteri
