Vs

Planning Authority

Application of Mark Newman Knight Adams and Simon Berry

They submit with respect:

That together with the filing of this application, appellants have filed a third-party appeal following the approval of PA 4790/19 in favour of John Azzopardi;

That appellants are hereby requesting the Tribunal to suspend the execution of the permit, in terms of Article 33 of Chapter 551 of the Laws of Malta.

That appellants submit that unless the execution of the permit is suspended, appellants would suffer disproportionate prejudice when compared with the prejudice caused by the staying of the actual execution of the permit.

Therefore, the Tribunal is hereby being requested to suspend permit PA 4790/19 in terms of law.
