**Application No:** PA 1787/21  
**Location:** Site at Hugo's Burger Bar, Triq tal-Barrani, Ghaxaq  
**Proposal:** To sanction an existing kiosk

**Request for appeal**

Dear Sir,

I refer to the application in caption. On behalf of my client I wish to appeal from the decision reached by the EPC published on the 21st July for the following reasons:

- 1) The kiosk is proposed well off the arterial road and providing a more than adequate queuing line without the risk of causing any congestion on the main road. If need be further traffic studies may be provided as directed by the board.
- 2) The kiosk is essentially a regular converted container vehicle which may be displaced as required. It's design displays the brand logos.
- 3) The kiosk is located within an area of containment just across the road from a fuel station complete with catering facilities. The kiosk mainly provides a service to the many workers employed in the vicinity or vehicles en route to Valletta.

I trust that my comments should be favourably considered.

Regards,

Perit Christian Spiteri
