Dear Sir,

Appeal against enforcement EC 133/21 - Rabat

Please refer to the enforcement notice issued against my client Mr. Calcidon Vella alleging illegal works on his property at Rabat comprising a masonry wall around his site and the fixing of PV panels on his roof.

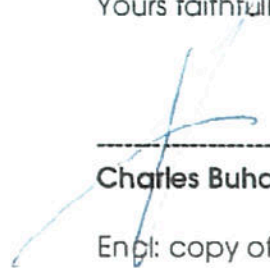

This enforcement notice is subject to a daily fine.

Kindly note that the works which are subject to this enforcement notice were carried out prior to 2016.

Attached please find receipts dated 20015 for the installation of the PV panels. Also attached please find photographs taken from file PA 3885/03 which show that the works subject of this enforcement notice were already in existence at that time.

Thus, in view of the fact that the alleged illegal works were carried out prior to 2016 then we would like to respectfully request that the imposition of the daily fine be withdrawn from this enforcement notice.

Yours faithfully,

Charles Buhagiar A&CE.

Encl: copy of enforcement notice, bank receipt, photos, PV panels receipt
