(Mr. Carmel Cuschieri - Mellieha).

My Ref: 1154-15-L4

Dear Sir,

reference is made to the above mentioned development application and to the Development Permit Application Reconsideration Letter of Refusal dated 15th December 2015, published on 23rd December 2015. Whilst attaching the relevant payment of € 186.35, a copy of the letter of refusal and copy of the site plan, on behalf of my client I would like to forward his request in order to appeal on basis of the following counter arguments:

1. AAC is favourably considering this development application as per minute for AAC meeting No.47 of 24th August 2015, a copy of which is being attached for ease of reference;
2. Other agricultural stores have been approved within the same area, amongst which PA 4833/02 and PA 5508/10, case details and site plans of which are being attached for ease of reference.

Kindly acknowledge receipt of this correspondence.

Yours Sincerely,

PERIT Joseph Attard
