Appeal from Dismissal of application.

With reference to Pa 5131/16 I the undersigned would like to appeal on behalf of my client Mr Paul Gauci , over the dismissal of application over these grounds.

The dismissal came into effect over a late payment of a contribution amounting to the sum of €2329.38 in favour of PA's Urban Improvements Fund for the locality.

The original applicant, Mr. Guizeppi Urso, then also my client, an Italian National, was indisposed in Sicily due to a family urgency and although attempts on several occasions were made, he was not in a position to pay the contribution.

Mr Paul Gauci, the property owner finally took it upon himself to pay the contribution, which this was rejected due to the expiry of the stipulated time frame.

Following the attempted payment Mr Gauci also request a change of applicant.

No works occurred during this period, and the property in caption remained unused and abandoned.

My client thus requests that the dismissal be lifted so that the contribution toward parking provision can be made. The original applicant is no longer renting the property, hence my client only wishes to pay the contribution, so as to not have to redo the entire process , thus wasting unnecessary time and resources.

Kind regards,
Perit Philip Farrugia
