Appell imressaq mis-Sindku Horace Gauci (KI 46481 M), u mis-Segretarju Esekuttiv Emma Vella (KI 206772 M), ghan-nom u fl-interess tal-Kunsill Lokali ta' Marsaxlokk ta' 2, Triq Vittorio Cassar, Marsaxlokk MXK 1051.

Nikteb ghan-nom u fl-interess ta' l-appellanti suindikati, fejn qed jissottomettu illi id-deċizjoni ta' l-Awtorita ta' l-Ippjanar ippubblikata nhar it-18 ta' April 2018, (Deċiża nhar it-3 ta' April 2018), fejn gie approvat il-permess suindikati, mhix ekwa u ġusta fil-konfront ta' l-appellanti fil-kwalita taghhom premessa, u dan ghas-segweni aggravji;

1. Jirrizulta illi is-sit mertu ta' l-applikazzjoni in kwistjoni kien fil-fatt soġġett għal numri ta' ordnijiet ta' enforzar, (fosthom 1004/1999), jidher illi l-ebda kunsiderazzjoni ma ttiehdet għar-rigward din l-azzjoni ta' enforzar, u l-Awtorita xorta harġet il-permess mitlub.
2. Illi l-istrutturi illi ġew approvati bil-permess odjern, fil-fatt imorru kontra permess preċedenti ġia approvat (PA 04332/1999), illi fejn fost ohrajn hemm approvat garage, liema garage, ma jistax jintuza stante li l-aċċess għalih huwa imblokkat minhabba l-istrutturi approvati bil-permess odjern.
3. Jidher ukoll, illi l-ebda prijorita ma nġatat lir-residenti tal-madwar, għar-rigward il-fatt, illi l-approvazzjoni tal-bini suindikati ser iċahhad lill-istess residenti mid-dritt ta' l-użu ta' l-arja quddiem id-djar taghhom. Jirrizulta wkoll, illi l-imsemmija struttura, fiha hafna Health Hazards fiha, fejn hemm diversi hamiem mejjet, u numru ta' ġrieden, liema strutturi flok, ġew imnehhija bl-imsemmija ordni ta' nforzar, addirittura ġew approvati.
4. Jidher illi lanqas ma nġataw kunsiderazzjoni għall-oġġezzjoni tas-Supretendent għall-Wirt Kulturali, u dan peress illi il-bini approvat, adjaċenti u madwar il-barumbara storika, huwa wiehed modern.
5. Jidher ukoll, illi il-case officer report, illi; *'The proposed development would change the external and internal appearance of a Grade 2 listed building and is objected to by the Superintendence of Cultural Heritage. The proposal would therefore detract from the historical value of this building and so it detracts from Thematic Objective 8 of the Strategic Plan for Environment and Development which aims for the safeguarding and enhancement of cultural heritage'*, gie kompletament injorat.
6. Lanqas ma ġiet kunsidrata l-oġġezzjoni tal-Kunsill Lokali odjern, u l-petizzjoni tar-residenti Xlukkarji tal-madwar.

Għaldaqstant, in vista tal-premess, l-appellanti, qegħdin umilment jitolbu lil dan l-Onorabbli Tribunal sabiex ihassar u jirrevoka id-deċiżjoni mehuda mill-Awtorita ta' l-Ippjanar nhar it-3 ta' April 2018, ippublikata nhar it-18 ta' April 2018, u dan għar-raġunijiet premessi, u konsegwentement jiġi rifjutat il-permess mitlub.

23rd April 2018
Our Ref: 981/1695-01

PA 2545/17

With reference to this issued Permit, we would like to raise the following objections on behalf of my client Marsaxlokk Local Council, for the following planning reasons:

- i) Additional apertures are being proposed within the façade of the Grade 2 structure known as il-Barumbara ta' Lambert, which shall continue to degrade this historic structure. In fact the SCH is quoted *'Furthermore, most of the approved changes under the previous permits (now expired) which impact the facades are objectionable, and should not be reconsidered for approval'*.
- ii) ERA have not been consulted within this application process even though this recent part of the site as in stated by the Local Council in their Press Release, is filled with deceased pigeons, and is considered as a Health hazard.
- iii) This approved application, is sanctioning alterations done along the years, and includes additional encroachment around this Grade 2 building. In this respect, in our opinion, this shall continue to degrade the historic value of the same structure. In fact the previous application PA 5744/97 was refused, **To construct a first floor level** in view that the extension and additions as proposed would detract from the historical value of the building and so do not conform to Structure Plan UCO 7 and UCO 13 which seek to preserve buildings of outstanding architectural or historical interest;
- iv) The approval of PA 2545/17 contradicts and PA 4332/99 since as stated by the Local Council, also in their press release hinders and blocks access to the garage approved in PA 4332/99.

In view of the above we are submitting our objection to this proposal.

Kindly acknowledge receipt of this letter.

Perit Robert Grech A & C.E
