For the attention of the Environment and Planning Tribunal

Appeal to ERA Order OWK 0033/20

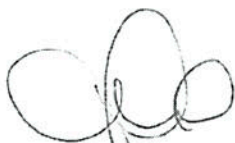

I am writing as CEO of the Malta Chamber of SMEs on behalf of one of our members, whom we are assisting on this matter.

ERA Order with reference OWK 0033/20 is being appealed for the reasons stipulated below:

1. On multiple occasions this order was issued to Ms Jacqueline Azzopardi of Tecno Wash Limited. Tecno Wash does not operate a Dry Cleaning Service and does not utilise solvents, as incorrectly stated in the ERA order. Tecno Wash also operates from separate premises in Msida and not at the address indicated in the order.
2. This order (ref OWK 0033/20) was posted at an address where other ERA notices have been sent, which notices have already been appealed and are currently awaiting hearing.

Relevant documentation attached for ease of reference.

Kind regards,

Abigail Mamo
CEO
