RE: Refusal of Development Permission (ref: PA/01380/20)

I write to you on behalf of my client, Mr Alex Bezzina Wettinger, holder of Maltese identity card numbered 98670(M) resident in Birkirkara (the "Client").

Reference is hereby being made to the Planning Authority's (the "Authority") decision in relation to the sanctioning of the extension to the water catchment pool at the Maghtab Shooting Range no.6, Triq ir-Ramla, Naxxar (decision reference PA/01380/20 dated 23 April 2021).

By means of this communication, my Client would like to exercise his right to appeal in terms of Article 13 of the Environment and Planning Review Tribunal Act (2016). My client feels aggrieved by the Authority's abovementioned decision especially when considering that approval for a catchment pool (to hold the residue resulting from *plattini* shooting) had been granted in the past. The said approval was granted prior to the file of this particular case being lost.

In light of the foregoing and on the basis of regularisation, I kindly request the Tribunal to:
