Dear Sir/Madam,

Application Number: PA/07715/18  
Proposal: To Sanction changes in a residential block from approved PAPB 1187/88. Changes consist in the mirror image of the facade, extension of staircase and lift to basement, shifting of internal walls in apartments and extension of back balconies on to the backyard  
Location: St. Moritz Apartments, 177, Triq it-Torri, Sliema

**Submission of Appeal against Dismissal of application**

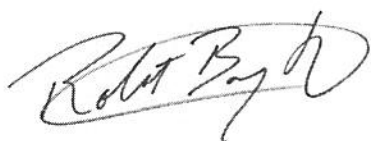

Reference is made to the decision taken by the Planning Commission to withdraw the non-executable permission and dismiss this application.

We are hereby appealing to this decision considering that Application PA/05427/21 can dissolve the post decision requirements stipulated in PA/07715/18. The target date for PA5427/21 is in October 2021.

The Post decision requirements in PA7715/18 consist of the demolition of a cantilever over the front terrace of the Penthouse, whereby PA5424/21 requests the permission to extend the same cantilever and close off the penthouse as the underlying apartments. If approval is granted to PA5452/21, the demolition of this cantilever would be unnecessary.

Thank you

Yours truly,

ROBERT BORG HAYMAN
