Planning Authority
Floriana

Dear Sir/Madam,

Application Number: PA 5854/21
 Location: 58, Triq Sir Arturo Mercieica, Sliema
 Proposal: Change of use from garage approved in PA03580/16 to Class 4B Shop.

Re: Submission of Appeals against Decision by the Planning Commission

Reference is made to the decision taken by the Planning Commission to refuse this permission.

We wish to comment as follows:

The area occupied by the garage being proposed to change was initially for a one-car garage. The site was altered to divide a larger garage into separate garages and approved with PA 03580/16.

We disagree that the proposal results in a loss of existing off-street parking.

We kindly request the Environment and Planning Review Tribunal to overturn this decision, and we are ready to contribute towards the CPPS.

Thank you

Yours truly,

ROBERT BORG HAYMAN
