RE: PA/2821/21

Location: Penthouse No.7, 'Ta Kenuna' Blk B, Triq L-Arcipriet Saver Cassar, Nadur

Description: To construct a fireplace and reserve area for services.

Applicant: Joseph Dingli

I refer to a decision taken by the EPC board in relation to the above mentioned permit. I would like to file an appeal on behalf of the applicant for the following reasons:

The proposed development was already approved with a height as is. The applicant would only like to locate the services at roof level, similar to existing services on site. Photos of such services are indicated with this appeal.

In view of the above, EPRT may wish to overturn this decision.
