<b>Application Number</b>	<b>PA 9913/19</b>
<b>Proposal</b>	<b>To sanction racing pigeon as built at roof level.</b>
<b>Location</b>	<b>9, Sqaq il-Kantur, Birkirkara</b>

**Request for Appeal**

Further to the decision by the EPC Board attached please find our request for appeal based on the fact that the:

1. Proposal is located in an already committed area since the premises are a licensed racing pigeon club. Such document has been uploaded in document 115f.
2. Regarding setbacks the loft is in no way visible from Sqaq Kantur.
3. VRPD do not object for racing pigeon loft given that the Federation of Racing Pigeon Clubs has an agreement with the same department for its members. The clearance of this department has been uploaded in minute 115g.
4. The applicant is a full member of the said Federation.
5. Drawings as requested by the Directorate have been submitted in minute 115c.

Best Regards
