Dear Sir/ Madam,

With reference to the above mentioned application I am hereby submitting a request of appeal from dismissal decision on the basis that the requested low wall at roof level around services was constructed (kindly refer to submitted photographs) and is now compliant with RG 904/19. The low wall couldn't be constructed earlier as client fell seriously ill (I can present health certificates regarding this illness).

Whilst thanking you in advance, please do not hesitate to contact me if any further information is necessary

Yours Sincerely,

Perit David Cilia B.E & A (Hons.), A & CE
