Dear *Sir/Madam*,

**Re: Appeals against refusal of PA/01193/22**

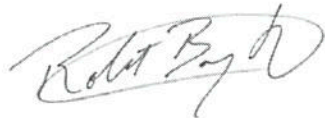

**Proposal:**     **To sanction extension to agricultural room to provide for sheep pen, olive processing and agricultural storage. Application also includes the sanctioning of a stable and a surface water tank.**

Reference is made to the decision by the Commission to refuse such a permission. We are hereby submitting an appeal against the decision by the Commission.

The structures being sanctioned are all being used for agricultural purpose. The olive press is part of the harvesting of the olives and is being used for the pressing of olives on site.

The rest of the rooms are all uses that are permitted only in ODZ such as the keeping of equines and ovines.

Yours truly,

Robert Borg Hayman B.E. & A (Hons) A&CE
