

**Request for suspension in accordance with the provisions of Chapter 551 of
the Laws of Malta:**

The Appellant makes reference to the Appeal being filed concurrently with this Application and requests that the execution of the said permit is suspended pending the outcome of the appeal.

The sensitivity of the property subject of this Appeal clearly outlines the basis of this request and it would be appropriate for the fabric of the said property to be retained in its entirety and to also enable access to the site by the Tribunal to verify the matters raised in the Appeal.
