Dear Sir,

Appeal against enforcement EC 402/16 – Bahrija

Please refer to the enforcement notice issued to my client Mr. Francis Portelli for alleged illegal works at Bahrija.

We would like to appeal this enforcement notice for the reason that all alleged illegal works are currently subject of an application to sanction the works (PA 805/14) which is currently at the appeals stage (PAB 260/15).

With regards to the second alleged illegality mentioned in the enforcement notice the vehicle and truck cabin are being removed.

We would therefore like to respectfully request that no other ulterior action is taken against my client and that this enforcement notice be suspended until such time our appliciaotn to sanction works is determined.

Yours faithfully,

Charles Buhagiar A&CE, MP.
